FOREWORD

IT HAS BEEN our purpose in presenting this volume of the PAC SAC to portray in words and pictures the events of the year in a style which pleases you. In it we have tried to depict the spirit of unusual friendliness which is traditional of Presbyterian College. As the years pass your love for Alma Mater will be strengthened and memories will grow dearer. We hope this volume will help to keep alive the friendships in the hearts of those who were once fellow students.

DEDICATION

To
PROFESSOR

HARRY ELWYN STURGEON

whose admirable personality, tolerant wisdom, and Christian influence so pervades our campus as to make us ever grateful for his presence among us, this volume is affectionately dedicated.

THE *President*

DR. WILLIAM PLUMER JACOBS, II, a young man of broad vision and firm convictions, has been president since 1935. With a vigorous approach to the problems of education he has won the admiration and loyalty of students and faculty. His untiring efforts in behalf of the college have done much to make it the powerful influence which its founder dreamed it would some day be.

WALTER A. JOHNSON
Head Coach

● ● ● *The*

The PIGSKIN SEASON

THE SCRAPPY BLUE HOSE hit the comeback trail last fall filled with the famous P. C. spirit to follow up the previous unsuccessful season with a creditable showing. Six games were won and four lost in one of the best years the Hosemen have recently experienced. This record put Coach Johnson ahead in his won and lost percentages while serving at P. C. For a small school, playing some of the top-notch teams of the

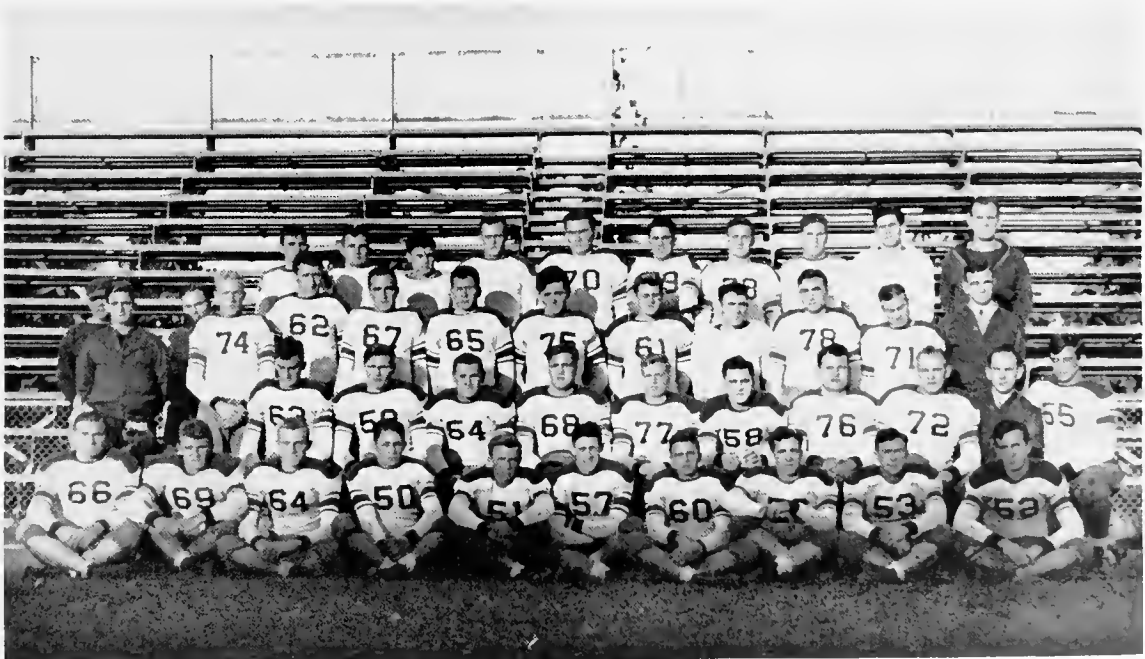

South, this is an enviable record. Johnson secured the services of Bailey Williams, all-state end from Davidson College, and Jack Nixon, outstanding member of the Georgia Tech Yellow Jacket squad for three years, and these three built a great team from some veterans and a splendid crop of sophomores. Johnson, the genial Swede, furnished the finest inspiration to win that any team could receive and his presence on the field seemed to put more fight and spirit into the boys. Two new schools were added to the schedule, Centre College and Stetson University, and five opponents in the state were met. Emory and Henry, Mercer, and Oglethorpe were the other out-of-state opponents.

September 17.—In the first fray of the season the Blue Hose, as is customary, met the powerful Clemson Tigers. A large crowd saw the Tigers score in every period except the second and win the nevertheless hard-fought game at Riggs Field. The Neelymen scored in eight plays, but the remainder of the first half was played in Clemson territory due to some splendid punting by Charlie Thompson. Three of his boots went out of bounds within the five-yard line. The smooth functioning Tiger team, keyed to a fine pitch, started rolling after the rest period, and with McFadden and Bryant carrying the ball behind the giant Don Willis' blocking, rolled three markers over the final white strip. P. C. threatened several times but could never reach pay dirt. Clemson made 11 first downs to 4 for the Hose who, nevertheless, had shown promising evidence for future success.

September 24.—Late in the first period Dennard sneaked out behind the safety man and caught a pass for a touchdown. A blocked punt gave P. C. two more points and they defeated the Oglethorpe Petrels in a thrilling contest at Hermance Field, Atlanta. The game got off to a slow start, but near the end of the first quarter Meisky cocked his accurate passing arm and tossed a thirty-yard aerial to Dennard who caught it in the clear on the twenty and ran the remaining distance unmolested. Henderson converted. In the second period Be Moore and Henderson combined to block a punt, and the ball rolled into the end zone for an automatic safety. The Stormy Petrels came to life in the second half and tallied their lone marker. Oglethorpe led in first downs 12 to 7.

September 30.—Jake Todd brought his Fleet into Clinton for what was expected to be a close

game with the Hosemen, but he took them back after they had felt the power of the Johnsonmen and lost decisively. Big June Moore ripped and tore his way through the Seceder line for a touchdown in the first quarter. The entire P. C. line poured through from all corners to block Burris' kick and the ball rolled out of the playing field to prevent a touchdown and give the Hose two more points. In one of the prettiest plays ever seen on Johnson Field, Jimmy Dennard, one of the fastest ball carriers P. C. has ever had, followed perfect interference and dashed 67 yards untouched for a touchdown. Henderson converted the extra point. The Blue Stockings made 15 first downs in the assault to 4 for the Seceders.

October 7.—The Citadel Light Brigade, with dynamic Edwards tossing, completed two long passes

for touchdowns and the Bulldogs won a close game from the Blue Hose in a game played at "The City by the Sea." The score at the end of the half was 0-0, and it was not until late in the third period that the Bulldogs threatened and scored. At this time the famed passing combination of Edwards to lanky Burrows went into action and could not be stopped. Dennard was slippery as an

eel and ripped off numerous gains through the Cadet line, but the final scoring punch was lacking and the Hose had to take a licking. Citadel made 11 first downs to 7 for the Blue Hose.

October 14.—In one of the best games played anywhere in this state three thousand people saw the Calvinists win a close victory from Newberry to give them the Little Four championship. For three periods the teams rocked back and forth around the 50-yard line and it was not until the first play of the final stanza that any scoring was done. Dominic Colangelo, sensational sophomore quarterback from Newberry, scampered around his own right end for twelve yards and a touchdown. The Hose front line charged through to block the attempt at conversion. Midway the final period Dennard, 130 pounds of football dynamite, grabbed a punt on his own 35-yard line and zig-zagged his way 65 yards to tie the score. The stage was set for sophomore Coleman, and his steady toe made a perfect boot for the vital extra point. Newberry made 7 first and tens to 6 for the Hose.

October 22.—P. C. really tried to go big time and took on the Praying Colonels of Centre College in an intersectional game in Danville, Kentucky. Although they lost by a large margin the Hose made a creditable showing against one of the top ranking teams of the country. Jimmy German and fullback Stahl led a powerful offense that worked fine behind a heavy line. Leo Gruzowski, who was mentioned for All-American, played a fine game. "Never say die" was the attitude the Presbyterians took and went on to tally seven points

of their own after seeming hopelessly beaten. In first downs P. C. garnered 4 and Centre made 8.

October 28.—Using a powerful ground attack mingled with an efficient air raid, the blue-clad warriors rolled up 15 first downs to 5 for the Wasps and downed Emory and Henry on the local field. The second and third teams saw plenty of action in a game in which the Hose fumbled nine times near pay dirt. June Moore scored both the touchdowns.

November 19.—In one of the most successful homecomings in the history of the school the Wofford Terriers felt the sting of defeat from the Calvinists. The game was played in the rain but it was one packed with thrills and entertainment for the large number of fans who braved the inclement weather. June Moore tallied in the first period and his brother, Be, caught a pass from Dennard for the second tally. Henderson added the extra point from placement. P. C. executed 8 first and tens to 4 for the Terriers.

November 24.—In the warm sunshine of Daytona Beach, Florida, the Blue Hose closed a very successful season with a smashing victory over the favored Stetson Hatters, conquerors of the University of Florida. The Hose unleashed the most powerful offense of the season to engineer 15 first downs to 11 for the Hatters. Coach Johnson commented after the game, "I have never had a team to block, drive, and perform in general as that one did today. They just wouldn't be beaten." It was June Moore again who carried the ball over and

BUIE

Henderson converted the deciding point. Every Blue Hoseman was a star. In this game they worked like a smooth and powerful machine and played the kind of football all coaches dream about but seldom see for four full quarters.

The FROSH SEASON

A LIGHT BUT FIGHTING Presbyterian College freshman eleven went through a fairly successful season which saw them win two games and lose three. Coach Lonnie McMillian started out with a band of about twenty-five new but determined men to mold them into a defensive team of high calibre. They lacked an offensive threat which proved to be the weak point of the team and caused them to lose the three close marginal games.

After outplaying a heavier Carolina Biddie team at York for three quarters, they finally succumbed to the hefty lads. The classy Clemson Cubs downed the scrappy Anklets at Clemson in a game which saw the Baby Blue Hose thrust off many threats of the Cubs. Next, they broke into the win column with a smashing victory over the Wofford Terrier Pups in Spartanburg. The game was in the bag from the start and the Anklets scored at will. A courageous Darlington Prep team put up a great fight but were overcome by the Anklets. In their final game of the season the Anklets lost a heartbreaker to the Newberry Papooses at Newberry. The play of Lloyd Evans, the Milam brothers, Moye, Mitchell, Hinkle, Minott, and Jacobs was splendid, however.

THE 1939 BLUE HOSE basketball team were a better team than the percentage of games won and lost indicates. The squad was made up of the best material Coach McMillan has had in several years. For the third consecutive year

the team was invited to the S. I. A. A. tournament in Bowling Green, Kentucky. They reached the quarter finals and then lost to the Western Kentucky Teachers who went on to win the title for the second consecutive year.

Of the nineteen games played eleven were lost and eight won. Two were lost by one point, three by two points, three in extra period games, and the rest by comparatively low scores. Never before in the history of South Carolina basketball has one team played four overtime games. Their record for the state games was seven won and eight lost, to place them in a tie for fourth place in the race.

Two games were played before the Christmas holidays. Appalachian State Teachers handed the Hose a 23 to 22 defeat. Then Pacific brought its highly primed quint to Clinton and the P. C. lads defeated them 31 to 19. Tom Pack, ace forward of the opposition, was held in check all night by the close guarding of McMillan. After the holidays the state race got under way, and the Hose were victorious over the College of Charleston Maroons on January 11. The Calvinists lost their first extra period game of the season on January 14 to the Erskine Seceders in a thrilling game played in the Erskine gym. Playing inspired basketball on the sixteenth the Blue Hose downed the Carolina Gamecocks in the University Field House. The entire Hose team played a fast and accurate game, while Hymson was outstanding for the Birds. In one of the best games seen in the local gym in recent years the Clemson Tigers, Southern Conference champs, were pushed to the limit to down a fighting P. C. team on January 18. It was necessary to play an extra period to break the tie. The fast breaking and never tiring Erskine Flying Fleet dealt the Blue Hose another defeat in a return meeting. On January 30 Coppola, Indian ace, was hot as a firecracker and tallied 22 points to lead his mates to victory over the luckless Hosemen in Newberry.

The Calvinists decided that they had tasted bitter defeat enough, and played a jam-up game to down the Wofford Terriers in another of those overtime games on January 31. Meisky sank one from midcourt to tie up the game and then scored 4 points in

the extra period to win the game. Meisky with 15 points, Holden with 13, and Embler with 12 were outstanding for the Blue Hose, while scoring honors for the night went to Captain Hendris of the Terriers who made 18 points. On February 3 the fine Citadel quint had a scare thrown in its ranks in the local gym by the brilliant play of the Presbyterians. The Bull Dogs won by two points. Next Wolfe, Gamecock center, sank a crip in the last five seconds to account for another tie game. He also added two points in the extra period to give his team a two-point victory. On February 8 a big Stetson team won a six-point victory over the Hosemen in the local gym. In the next game the Hose really warmed up and avenged an earlier defeat by trouncing the Newberry Indians. The game was in the bag after the first few minutes, but the Indians didn't stop fighting until the last whistle. They made the game most interesting and showed their admirable fighting spirit. On February 14 Furman won from the P. C. lads, but on February 17 the Blue Hose downed the Purple Paladins, avenging the defeat. The College of Charleston Maroons bowed to the Hose in Charleston when Meisky sank a field goal in the last thirty seconds. Next day, February 24, Citadel won a smashing victory. The Bull Dogs would not be stopped, and gave a fine demonstration of their scoring power.

On February 28 in a game which was to decide who would be invited to the S. I. A. A. tournament in Kentucky, the Blue Hose emerged victorious over the Wofford Terriers and accepted the invitation. The whole Blue Hose played spirited basketball, and the Terriers never gave up, making the game one of the best of the season.

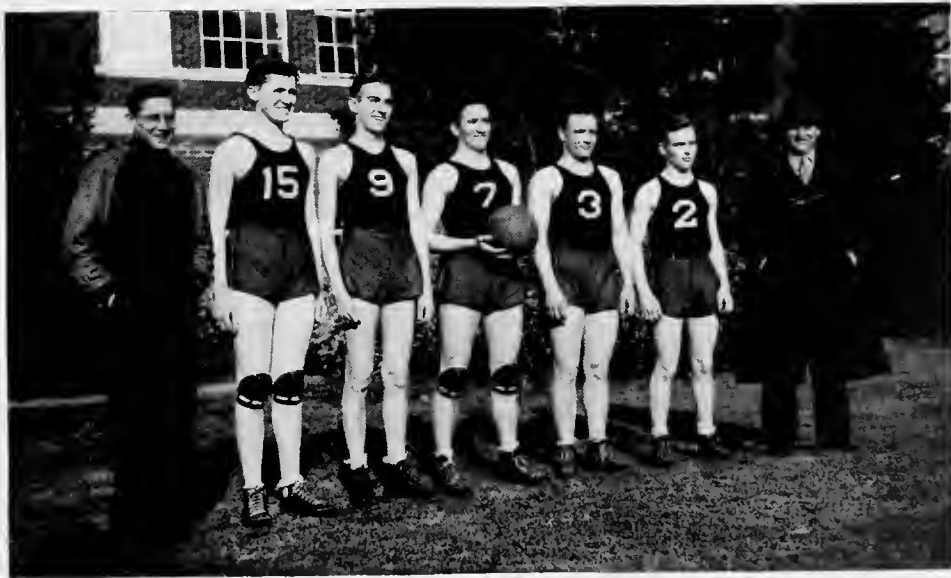

The FROSH CAGERS

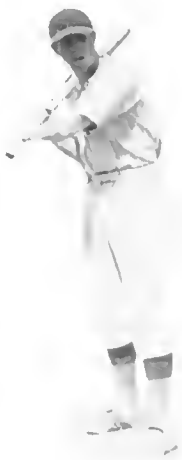

A SMALL BUT SPIRITED squad of P. C. freshmen basketeurs won seven games and lost four for a fine record in the winter sport. Eight games were played with state teams and three were with high school competition.

In their first game of the season the Anklets downed the Joanna team 40 to 19. Erskine's fine first year team, composed chiefly of the Due West State champs of the season before, nosed out the Baby Hose 31 to 29 at Erskine. In a return engagement the Anklets were victorious over the Erskine team by the score of 25 to 23 in a well played game in Leroy Springs gym.

The Anklets played one of their best games but lost to the fine Newberry Papooses' quint 56 to 43 in Newberry. The next night Evans' eye was good enough for him to tally 24 points to lead his mates to a 52 to 29 victory over the Wofford Terrier Pups. Pitt Bird's Greensboro High team proved stubborn but lost 26 to 20 in a tight game. The Anklets next downed the Laurens High team by the score of 52 to 23. Newberry handed them a defeat of 42 to 24, and Furman beat them 46 to 24. Then the Anklets came back and beat Furman 20 to 17 and Wofford 35 to 13 to end a successful season.

WITH THE DIAMOND SEASON ready to open, prospects for a winning team are very bright. Practically the same team which finished second in the state race last year is back with the exception of Captain Blackwell. Several sophomores have come up from freshman ranks to push the veterans for positions. One of the most successful seasons in recent years is expected.

When the first call for candidates was issued, Coach Chick Galloway, former major league player and winner of the "Most Valuable" player award in 1926 when with the Athletics, was greeted by a host of prospects who were all hustlers and anxious to start the hard work to-

ward winning themselves a place on the Blue Hose nine. Inclement weather kept the squad indoors for a week, and then they practiced for two more weeks before the regular season opened. During this time games were played among themselves and with textile teams.

The boys developed fast and have reached the peak of their form as this is written. The team has a strong battery of pitchers and a dangerous array of hitters. Richard duBose won five games and lost only two last year as a sophomore and is showing good form this season. He is a tall lad with a sweeping underhand delivery that is baffling to the opposing batters. One of the brightest hurling prospects in several years has come up from the fresh squad. He is Lamar Castleberry, a fast-ball artist with a raft of pitching power. He holds the freshman state strikeout record of twenty-three, set last year against Newberry. Two big boys, Bill Cox and Ben Christian, have added much support to the mound staff. Cox, who has a burning fast pitch, was troubled with his control but has regained it. Christian was a valuable relief pitcher last year, and showed his ability when he struck out thirteen Citadel batters and gave up only one run. "Ben Blue" McGregor, a junior, is a steady hurler who will have a good year. Al Butler is another from the freshman team who shows favorable possibilities. June Moore and Phil Rogers are handling the receiving duties. Moore is a veteran, and Rogers has been converted from an infielder to the plate position.

SOPHOMORE "TOUGHY" EMBLER is holding down the first base position to fill Blackwell's shoes, and he looks good in action. He is also one of the most dangerous hitters on the team. Shorty Horne is playing his third year as varsity second baseman. Giles Batchelor, last year's leading batter, is expected to drive in plenty of runs. Arthur Erwin, a powerful hitter, is a fixture at third base. In the outfield the veterans Ritch, Folley, and Mabry are bidding for berths along with Lefty Gauldin and Mac Reid, who placed second for batting laurels last year. Others out for the team are Harry McSween, Dan Bird, Charlie Trammell, and Fred Tannery. All of these men are steady players and should see plenty of action during the season. All the state teams will be met twice on the return game basis, and we feel sure that the Blue Hose will be near the top when the final ratings have been compiled.

RESUMÉ

THE FROSH BASEBALL TEAM played a stiff six-game schedule and surprised everyone by winning five and losing one. Al Johnson, a lanky southpaw from Rock Hill, pitched every game and did a fine job in each of them. In the finale against the Erskine freshmen, he allowed only three scattered hits and won four to three.

Lokey, Minott, and McDuffie were the team's leading hitters. Particularly outstanding work was done by Evans, Church, Wakefield, Black, and Callaway.

In the schedule was included wins over McColl High School, Carlisle Prep (two games), Erskine, and North Charleston High School and a single loss to Erskine.

THE CINDERMEN in their first meet with Georgia displayed some real talent, and indications suggest a quite successful season although the first outlook was rather dark.

The team was severely weakened by the loss of some of its outstanding members through graduation and failure to return to school. The Hose were the third place winners in the state meet last year. Gone from the ranks are such men as Norwood Cole, Malcolm Hemphill, Macon Hipp, Deke Reynolds, Joe Hollis, and J. C. Hanes. Reynolds and Hanes were outstanding performers and much was expected from them this spring.

Bill McSween and Jimmy Dennard are co-captains of the team. It is fairly well balanced with at least two good men in nearly every event. The weakest position on the team is probably the middle distances where some inexperienced men are trying to strengthen the gap. The team is espe-

cially strong in the dashes where Dennard and McLaughlin will perform. Jarrard, Boswell, and Lawrence comprise a strong trio for the weights division. McSween and Kee are veterans in the pole vault. Against Georgia McSween took first place and accomplished his greatest height when he cleared the bar at twelve feet. He will be a threat and one of the favorites to cop top honors in the state meet. McSween is also a broad jumper. Dennard is in his third year as a varsity dash man and has shown every indication of continuing his fine services. He beat Oliver Hunnicutt, ace Georgia sprinter, in the two-twenty and lost a close race to him in the century. Consistently running around the ten-flat mark in the hundred and doing fast time in his specialty, the two-twenty, he will be an outstanding contender for firsts in both events all through the season. When Dennard leaves in June he will long be remembered as one of the finest track and football men ever to attend Presbyterian College.

Jarrard is showing great form as a shot putter. Against the Georgia Bulldogs he tossed the sixteen-pound weight forty-two feet four and three-fourths inches to take first place. He is ably assisted in this event by the hefty gridmen, Boswell and

"Rabbit" McLaughlin has one of the fastest starts of any dash man in the state. He can be counted on for his share of the points in both of the short dashes. He ran a very fast century in the Georgia meet when the track was a veritable lake. Gosnell and Anderson are high jumping and running the hurdles. In Red Rawls the Hose have one of the best middle distance runners in the southeast. He broke the state mile record with a time of four minutes and twenty-eight seconds last year as a sophomore. Ralph Buchan, James Terrell, and Carl McCully are three good men in the two-mile run. Walter Arnold, John Broughton, Brooks Sheldon, and "Sport" Hayes are trying to improve the four-forty-yard run. All are inexperienced but have good possibilities.

As this section goes to press the tennis season is well under way. Three matches have been played and all were won by the Blue Hose, who are the South Carolina defending champions. Erskine was the first team played and the Seceders lost 7 to 0. Kalamazoo College, Middle Western champions for four consecutive years, was next and they succumbed 5 to 2. The third match was with the Duke Blue Devils and they were beaten by the score of 5 to 2. In all of these early matches the team showed every indication of retaining the state title.

The State Tournament will be played on the home courts from May 11 through May 13. The annual clinic, to which some of the country's leading professionals and amateurs will be invited to give instruction and play exhibition matches, will be conducted here from June 6 through June 10.

Lykes Boykin has been playing the number one position. He is the top ranking player in the state, being defending champion in the singles, and he was Bob Harper's partner when they won the doubles championship last year. Bob Kerdasha has been showing up well in the number two position. John Tyre is the number three man and is one of the most consistent players on the squad and a valu-

able team man. Fayette White has been displaying beautiful form and is a very careful player. Bob Glickert, Co-Captain Bob Harper, and Hugh Flanders are fine players who will give good accounts of themselves. Powell Fraser and Louie Porter have been playing doubles together, and they round out the team which will make letters.

The freshman team has seven matches with Parker High, Peddie, Wofford, and Citadel. Other matches will probably be added. Billy Farmer, a small fellow with plenty of court coverage, won the freshman tournament at the first of the year and will play the number one position. Goon Larson, the second man, is a promising player. Others on the squad are Eldon Joiner, Dit Wilburn, Walter Sligh, and Charles Timmons.

Presbyterian College is fortunate in having the services of Coach Lufner, one of the finest players and instructors in the game.

AN INEXPERIENCED but determined group of ringmen went through a four-match schedule without winning one of them, but in each they showed evidence of a team that will be hard to beat next year. One senior, three juniors, and three sophomores composed the team. Captain "Curly" Clements is the only member who will be lost through graduation, and there will be several outstanding candidates for this vacancy next winter.

In the opening match the P. C. lads threw a scare into the Carolina Gamecocks, and forced

them to the limit to win a one-point victory. Buchan, Sutton and Erwin were winners in their divisions, and Clements fought the famed Lou Carleo to a draw. Sutton took only fifty seconds to dispose of Sol Blatt. Citadel was next on the card and the Blue Hose again tasted defeat. Wyman, Sutton, Buchan, and Clements scored the points for the Johnsonmen, Sutton winning again by the knockout route. Clemson's defending Southern Conference champions pounded out a decision over the Hose at Clemson. In

the finale the Georgia Bulldogs punched to a victory over the Calvinists in a match fought in Athens. Wyman and Sutton were the only winners for the Blue Hose.

The work of Frank Sutton, sophomore who has yet to lose a fight; Dibs Wyman, who won three out of four, and Ralph Buchan, who was one of the classiest fighters in state circles, was outstanding. Others who did good work all season were Arthur Erwin, Billy Kee, Jerry Roberts, Dave Buie, and Bill Coleman. Captain "Curly" Clements, after fighting a splendid bout in the opener, was forced to the sidelines in the remaining matches because of illness. Kenneth Young and Paul Hartsfield, freshmen who did good work and have shown their ability, should make the team next year.

THE RESERVE OFFICERS' Training Corps unit was established at Presbyterian College in the Spring of 1919. Since that time it has de-

veloped into one of the most efficient units of the Fourth Corps Area. It has won numerous trophies in competition, and for the last ten years the cadets have worn blue stars which signify the highest rating a unit may receive.

This year Cadet Private Blake and Cadet Corporal Wysor were awarded medals for winning the titles of "Best Drilled Freshman" and "Best Drilled Cadet," respectively. The squad of Cadet Corporal McSween was awarded gold stars for qualifying in competition as "Best Drilled Squad." A saber will be presented by Major R. E. Wysor, former P. M. S. and T., to the Company Commander whose company is judged the best trained by the P. M. S. and T. at the end of the year.

The annual Spring Inspection was made by Major Arthur G. Hutchinson of the University of Georgia on April 18. The event was a fine success and the battalion retained its blue stars.

REALIZING THE NEED of an organization to foster interest in science, students of Presbyterian College organized an honorary scientific club in 1925. This club soon became the Eta chapter of Chi Beta Phi, national honorary scientific fraternity, which was founded in 1916. The objective of the fraternity is to promote interest and instruction in scientific investigation by means of lectures by prominent scientists, by means of papers prepared by regular members, and by means of round table discussion. Members are admitted each year from those students who have proven their ability at science.

TO ACCOMPLISH THE PURPOSE of an annual, to chronicle the events of a year, involves many varied tasks. Letting contracts, selecting associates, planning layouts, making pictures, writing copy, contacting numerous people, and making uneasy decisions are some of the duties complicated in the production of this book. The performance of these duties has afforded the staff much pleasure, and we only hope that the finished product will win your approval.

Without the help of many others who were not members of the staff, we could not have successfully completed this volume. The 1939 staff wishes to express to the students and faculty its sincere thanks for the splendid co-operation they have given us. THE PAN-HELLENIC COUNCIL began its administration by introducing a revised plan of rushing season which provided for delayed rushing in order for the fraternities to know the freshmen more intimately, and for the new men to have an opportunity to become acclimated to their new environment before being rushed. The new system worked well and is now embodied in the constitution of the Council. Under this plan another series of dances was added to the previous three.

For the Fall Dances in October Slat's Norris and his Auburn Cavaliers played. Then in December Jimmy Farr's orchestra played in honor of the new pledges. At mid-winters in February the campus "jitterbugs" cavorted to the swing of Key Scales.

The 1939 Pan-Hellenic Council expresses its sincere gratitude to the fraternities for their co-operation and best wishes for a fine interfraternity spirit in the future.

ALPHA LAMBDA TAU was founded in 1916 at Oglethorpe University in Atlanta, Ga., and the headquarters of the brotherhood is still in that city. The principal purpose was initially to promote good fellowship on the Oglethorpe campus. Soon it was made a national organization and incorporated under the laws of the State of Georgia. At first it was intended that the fraternity should not extend beyond the Mason-Dixon line, but this idea was later abandoned. Chapters are now located as far west as Colorado and as far north as Illinois. Expansion has been purposely slow and deliberate. In 1927 the Rapier Club of Presbyterian College was granted a charter and Iota chapter of Alpha Lambda Tau established. The fraternity publishes a monthly magazine under the name of *Alpha Lambda Tau* and a quarterly called the *Rose Leaf*.

ALPHA KAPPA PI was founded on March 23, 1926, by the union of two local fraternities at Newark College of Engineering and at Wagner College. The first convention was held in New York City, May 22, 1926, with Wilson Hull, first grand president, presiding. On May 12, 1928, Eta Chapter was established at Presbyterian College when the members of the Phi Delta Tau Club were initiated into the fraternity. The fraternity has realized a steady and healthy growth. The publication of the fraternity is *The Alpha*. The official pin is a seven-pointed star bearing in its center crossed swords and its three Greek letters.

PI KAPPA PHI was founded at the College of Charleston, in South Carolina, December 10, 1904, by three of its students. It was a concrete and permanent result of the friendship of these three men. It was incorporated in 1907, with the purpose of becoming a nationwide society. From the time of its founding its growth has been steady and consistent. Its record is unique in that it is the only national fraternity to be founded in South Carolina and that it has thrived despite the effects of the anti-fraternity legislation which was persistent after 1897. The growth of the fraternity has been more pronounced in the South although it has never been confined there by policy. Beta Chapter was established at Presbyterian College in 1907, but it was inactive from 1909 to 1921.

THE KAPPA ALPHA FRATERNITY was founded at Washington and Lee University, then Washington College, on December 21, 1865. It was established with the idea of creating an organization to foster and maintain the ideals, manners, and customs of the Southern people. In order to keep a closely knit brotherhood, chapters have been organized in only sixty-eight colleges of the South, except for three in California. In 1921 the local Aesir Club was taken into the order as the Beta Pi Chapter.

ON MARCH 1, 1868, PI KAPPA ALPHA fraternity was founded at the University of Virginia by five friends who had gone through the Civil War together. One year after its founding Pi Kappa Alpha became national and charters were issued throughout the state. The disorganization of the South immediately following the war made its early career uncertain and difficult, but in later years it has enjoyed a very prosperous growth. The Presbyterian College chapter, Min, was chartered in 1890, but was inactive from 1909 until 1921. It has been active on the campus continually since its re-establishment.

The SOLONS

THE SOLONS, primarily based upon the principles of jurisprudence, was organized in April, 1938, for the benefit of those preparing themselves for the legal profession. The club originated in the minds of three students, and in the last six months the organization has become well established. Its accomplishments have been in great strides despite its infancy. The purpose of the Solons is to study the aims and operations of law and its subsidiaries. New members are chosen by the unanimous vote of the club.

First row: Burgess, Hudson, Draper, Owens. . . . Second row: Weldon, McInvaill, Tinney, Irvin.
